

Damon Runyon Physician-Scientist Training Award Questionnaire
Please answer each of the following questions on this form and submit with your annual progress report.

>	Have you been successful in securing other independent funding?
>	What is your current academic position/title? Has this changed in the past year?
>	Does your institution allow you 80% protected time to do your Damon Runyon-supported research activities?
>	What is the balance between your bench work and your clinical work?
>	Do you receive enough support and mentorship from your mentor(s)?
>	Are there any issues you would like to address?
