[More information and full application guidelines available at www.damonrunyon.org.]

- ☐ 1. Electronically submit online At-a-Glance form
- ☐ 2. Application cover sheet*
 - ☐ All sections completed
 - ☐ Hard copy with signatures from Sponsor, Candidate, Fiscal Officer and Executive Officer
- ☐ 3. Sponsor's biographical sketch*
 - ☐ In NIH format
 - ☐ Includes list of current funding
- ☐ 4. Sponsor's letter*
 - ☐ Includes a training plan for the Candidate
 - ☐ Has a numerical percentage (___%) of the proposal that was written by the Candidate
- ☐ 5. Track record of Sponsor's mentorship with names and current positions of graduate and postdoctoral trainees
- ☐ 6. Applicant's CV
 - ☐ Includes bibliography of all published works
- ☐ 7. Applicant's letter
 - ☐ Includes description of previous research and teaching experience
 - ☐ Includes statement on the transformative impact he/she had on his/her field of research as a graduate student
 - ☐ For applicants training at the same institution from which they received degree: an explanation of the reason(s) for remaining at the same institution (*can be copied for page 2 of cover sheet*)
- ☐ 8. Statement of applicant's long-term commitment to a career in cancer research
- ☐ 9. Pediatric Cancer Statement
 - ☐ Indicates how the proposed research has the potential to significantly impact the prevention, diagnosis or treatment of one or more pediatric cancers
 - ☐ Not to exceed 300 words
- ☐ 10. Research proposal
 - ☐ Does not exceed five pages (not including references) of single-spaced 12-point type with at least 0.5 inch margins
 - ☐ Provides a summary of the research proposed
 - ☐ Provides a brief background to the proposed research
 - ☐ States specific research objectives/aims
 - ☐ Describes concisely the method of approach for the proposed research
 - ☐ Explains the significance of the proposed research to the Foundation's goals: understanding the causes and mechanisms of cancer and developing more effective cancer therapies and prevention
 - ☐ Demonstrates the relevance of his/her own background and the background and previous work of the Sponsor and any other investigators to the proposed research
 - ☐ Lists references including the full title of each work cited
 - ☐ Figures or tables (optional) not to exceed two extra pages

- ☐ 11. A copy of applicant's degree certificate
(Applicants who have successfully completed all PhD requirements including PhD defense may submit a letter from their graduate school explicitly stating such, with the dates of the PhD defense and degree conferral.)
- ☐ 12. Summary of Research form
 - ☐ Only one page total
- ☐ 13. If available, reprints of up to 3 of the Applicant's publications (no submitted papers)
 - ☐ PDF only
- ☐ 14. If applicable, up to 2 collaboration letters (NOT REFERENCE LETTERS)
- ☐ 15. Three reference letters (*separate from the Sponsor's letter*)
 - ☐ One letter must be from Applicant's thesis advisor
 - ☐ Sent directly to the Foundation by referees
 - Ref. 1: _____
 - Ref. 2: _____
 - Ref. 3: _____
- ☐ Hard copy
 - ☐ Pages are numbered (numbers can be hand-written)
 - ☐ Pages ARE NOT stapled
- ☐ USB Flash Drive
 - ☐ All files are in PDF format
 - ☐ Includes a merged PDF of all application materials except degree certificate
 - ☐ All files are correctly named (e.g. Smith-Doe, 1.pdf)
 - ☐ Sponsor's and Applicant's names are clearly labeled on USB
- ☐ Application (one hard copy plus USB Flash Drive) will be sent to arrive at the Foundation on or before the deadline date- late applications are not accepted

*If applying under the mentorship of two Sponsors, please also submit

- ☐ Co-Sponsor Cover Sheet
- ☐ Co-Sponsor's biosketch
- ☐ Co-Sponsor's track record of mentorship with list of graduate and postdoctoral fellows trained
